I. BACKGROUND & DESCRIPTION

EVRPD is a quasi-municipal corporation and a political subdivision of the State of Colorado. EVRPD was originally created pursuant to State law as the Rocky Mountain Metropolitan Recreation District for the purpose of supplying recreation facilities and programs within its boundaries. EVRPD encompasses approximately 320 square miles in southwestern Larimer County and northern Boulder County. The current year-round population within our district is just over 11,000. EVRPD is located in a unique location home to the majestic Rocky Mountains and adjacent to Rocky Mountain National Park. Beautiful mountain vistas and endless parks and recreation opportunities create a captive visitor audience for EVRPD to serve in combination with our community residents. During the peak visitation summer season our population can increase to well over 50,000 on any given day.

EVRPD is governed by a Board of Directors consisting of five elected officials. There are 20-30 full-time employees and over 100 part-time and seasonal employees that manage facilities and programs.

EVRPD provides a variety of parks and recreation facilities, services, and programs. The majority of our facilities are located in or near the Town of Estes Park. Facilities include two golf courses, a recreation/community center, a marina, Stanley Park, Carriage Hills Park, an indoor and outdoor gun and archery range, two campgrounds, a significant trails system, and Bureau of Reclamation Park lands at Lake Estes, Mary's Lake, and East Portal. In addition to maintaining these facilities, EVRPD provides community recreation programs and special events for youth and adults of the district and visitors.

Estes Valley Recreation & Park District (EVRPD) operates the Estes Park Golf Course located at 1480 Golf Course RD., Estes Park, CO 80517. The golf course is on the Town of Estes Park land and EVRPD has a lease agreement with the town to manage and care for the property.
